FOR IMMEDIATE RELEASE

Aeroturn Announces Sponsorship at Campus Safety Conference 2019 East; Raises The Grade on Perimeter Protection Solutions

Leading Connecticut-based turnstile manufacturer Aeroturn continues to pave the way to safer schools and will be a sponsor at Table #40 at the Campus Safety Conference in Charlotte, NC.

Oxford, CT – July 29, 2019, Aeroturn LLC, a leading turnstile manufacturer that offers 100% Made In The USA turnstiles, today announced that the company will be a sponsor at the 6th Annual Campus Safety Conferences (CSC19). East taking place on August 6th – 8th at the Embassy Suites by Hilton Charlotte-Concord Golf Resort and Spa. The Campus Safety Conference is a 2½ day event that brings together public safety, emergency management, administration, facilities, business, and IT departments from K-12 and Higher Education campuses. The goal of the conference is to bring time-critical education, training, and networking experiences to attendees that will improve safety and security during these ever-changing and challenging times.

CSC19 will consist of school and university administrators, public safety officials, technology directors, risk managers, emergency managers, security professionals, and law enforcement executives, and other public safety and security professionals from all over the country looking for the solutions to their campus safety, security, emergency management, and technology challenges. With a myriad of learning opportunities including the educational and interactive sessions, networking opportunities, and sponsor showcases; attendees are sure to bring back the right information to better protect their schools.

“We are extremely excited to participate for the first time this year in the Campus Safety Conference and look forward to bringing our quality turnstile solutions to school officials,” states Michael Stoll, VP of Technical Sales and Marketing. “Our goal has always been to help protect students and staff with our turnstiles that offer zero-maintenance and 100% reliability and this is a perfect venue for us to help spread the word to schools about improving safety with our best-in-class perimeter protection solutions.”
Conference attendees can visit Aeroturn at table #40 to view live demonstrations of its unique turnstiles. To register for the Campus Safety Conference East – Click Here and use the code SPONVIP to register for $299 (SAVE $300).

Aeroturn is known for raising the grade in the turnstile industry and has worked with schools throughout the country that rely on Aeroturn’s perimeter protection solutions. For further information, visit www.aeroturn.com
